

### FIRESTOP Washing Machine Box

Introducing the most versatile, fire-rated box in the industry. Similar in design to the Switch Hitter, the waste drain may be located right, left, or center. Valves can be mounted from top or bottom. Constructed from fire-resistant PVC, with factory-mounted intumescent pad. Knock-out test caps for pressure testing of DWV drain.

### FIRESTOP Icemaker Box

Introducing the only purpose-built, fire-rated icemaker box in the industry. Similar in design to the Mini Icemaker, with a modern look and compact profile, but constructed from fire-resistant PVC, with factory-mounted intumescent pad.

### FIRESTOP Gas Outlet Box

The industry's best, compact, fire-rated box is also available with gas valves for gas appliance applications.

*Fire-Stop boxes are Warnock Hersey certified to ASTM E-814 and CAN/ULC S115 – 1Hr. and 2Hr. listings. FireStop boxes are suitable for use on wood or metal studs, and with all pipe types.*

- Highest Quality
- Outstanding Performance
- Exceptional Service

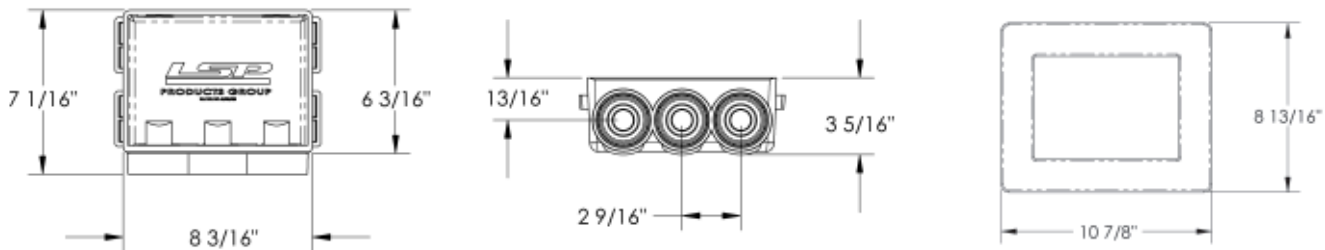

# Specialty Products™ FIRESTOP

## DESIGN FEATURES

- 1hr and 2hr fire rated.
- ¼" thick intumescent pad for fire protection.
- Box constructed of fire resistant PVC
