

Testing Made Easy

EZ-Fill test cap, with threaded nipple, allows you fill your stack directly from the valve, reducing time and cost.

Hassle-Free Installation

Dual drain feature, without knockouts, prevents errors and costly call-backs - simply cover the unused outlet with a snap-in, cosmetic cap.

Innovative Options

Optional, innovative condensate stand accommodates secondary drainage requirements. Our new plastic, Simplex handle is a standard feature on all hammer arrester boxes.

Introducing the most functional and durable box in the plumbing industry.

- Error-proof, no knockout drains
- Fill stack directly from box and test without a mess
- Available with and without hammer arresters

Available in all valve types:

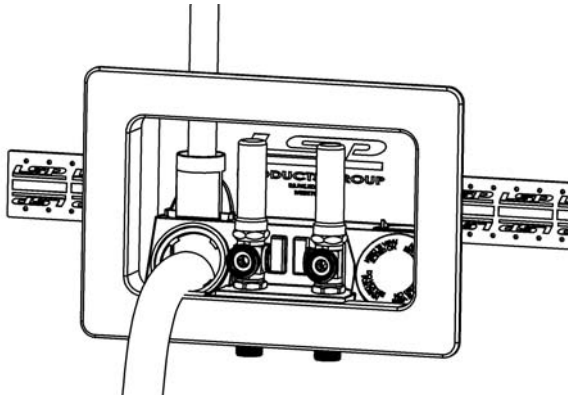

MIP
CPVC
PEX

REHAU
KITEC
WIRSBO PROPEX

- Highest Quality
- Outstanding Performance
- Exceptional Service
